

Dear colleagues!

We invite you to participate in the International Conference "**Advanced & Novel Technologies - Interdisciplinary Collaboration in Materials Science**" (ANTICM-2025).

Dates: **February 25-27, 2025.**

Location: Zaporizhzhia, Ukraine.

- Abstracts for the university proceedings (in Ukrainian or English);
 - preliminary version of the paper for publication in Springer proceedings (Scopus) (in English only)
- should be submitted through the Google Form (<https://forms.gle/BhVp3VUNhPMGC19MA>).

After reviewing the materials, you will receive an email with a link to the online article submission system and detailed instructions for further submission to Springer proceedings.

Important dates:

Abstract submission deadline: February 4, 2025

Conference start: February 25, 2025

Paper submission to Springer proceedings: March 6-13, 2025

Final version of papers for Springer: March 25, 2025

Important condition for publication in Springer proceedings (Scopus): NO-SHOW-NO-PAPER POLICY.

The conference organizers reserve the right to exclude publications by authors who did not present their paper at the conference. Presentation in English is mandatory for publication.

Formatting requirements are available on the conference website: <https://anticm.org/for-authors.html>

Main requirements:

- Abstract language: Ukrainian or English
- Springer papers language: English only
- Maximum 2 papers per author
- Maximum 5 authors per paper
- Self-citation limit: 10%
